

All Day

Asher Angel

All day, all day, all day
I think about you
I feel some type of way when I ain't around you
You drive me crazy, it's a curse that I found you
'Cause all day, all day, all day
I think about you

In my head, in my mind
In my bed, every night, yeah
All day, all day, all day
I think about you
In my whip, in my ride
In my bed, every night, yeah
All day, all day, all day
I think about you

When I'm wit 'chu I let my hands do the talkin'
I make the plans we spend the bands yeah, we ballin'
Up in the club you show me love yeah, you drop it
I'm missing you right now, but I cannot stop it
Ooh, she bad, yeah, she bad
She a dime, dime, dime
She need a ticket, need a ticket
'Cause she's fine, fine, fine
You stole my heart, stole my heart
Girl, it's a crime, crime, crime
So, tell me what I gotta do
To make you mine, mine, mine

'Cause all day, all day, all day
I think about you
I feel some type of way when I ain't around you
You drive me crazy, it's a curse that I found you
'Cause, all day, all day, all day
I think about you

In my head, in my mind
In my bed, every night, yeah
All day, all day, all day
I think about you
In my whip, in my ride
In my bed, every night, yeah
All day, all day, all day
I think about you
