

Interlude 1

Asher Angel

This next song, is a song called "Do U Wanna?"
Oh, man, this song bring back so many memories
This is actually one of like the first songs I've ever recorded
and
I got to work with the amazing Mike Hart
It was like, one of my first time ever in the studio
Oh my God, I was so young and yeah
It's a great song to vibe to
And I hope you guys really like it
