

Interlude 3

Asher Angel

This last song I have for you guys, is a very special song
It's called "Livin' It Up"
I actually had the privilege of working with Meg Donnelly
Oh my God, it's so amazing, this is super exciting and um, yeah
I think the meaning or the intention behind the song is always
live life to the max, to the fullest
And you know, be thankful for the people around you and yeah, I
hope you guys enjoy the song
Thank you Meg, shoutout Meg, and let's go
