

Lately

Asher Angel

Baby, I've been thinking about you lately
On the daily say I'm going crazy
Yeah, but that's the way you make me
The way you make me, yeah yeah
You don't know what you do to me, yeah
Stuck on your love up losing sleep, yeah
Baby, I've been thinking about you lately, lately

Baby, what you got from me is what I want
I done show you sides of me that they don't know
Girl, is it love is it the buzz I don't know
Missing your touch keeping me up all night long
Don't care who you're laying next to
But who am I to judge you
It's deep inside things that I can't hide
Baby, tell me if you feel the same to

Baby, I've been thinking about you lately
On the daily say I'm going crazy
Yeah, but that's the way you make me
The way you make me, yeah yeah
You don't know what you do to me, yeah
Stuck on your love up losing sleep, yeah
Baby, I've been thinking about you lately, lately

It's just something bout you
Something bout you
It's different when I'm around you
When I'm around you
Nothing like my old thang
Girl, where I find you
Show me that you bout me
Cuz I'm about you

Ooh...
Is we on the same page, ooh
Know you want the same thing
Looking at my phone I'm just waiting for the call back
So much on my mind I just gotta let you know that

Baby, I've been thinking about you lately
On the daily say I'm going crazy
Yeah, but that's the way you make me
The way you make me, yeah yeah
You don't know what you do to me, yeah
Stuck on your love up losing sleep, yeah
Baby, I've been thinking about you lately, lately
