We sippin neuro in the sand  
Stacks stacks on racks  
All my geishas from Japan  
Feeding me that marzipan  
Now we rollin in the lamb  
All my whips are foreign  
You know I keep it in the fam  
Stack stack on rubber bands

Snap backs horderves fortnight don't mind mink furs  
Got a membership at Soho but I keep it on the low low  
Please no photo naked pic on my phone

Bet they can't ride like me  
You know they ain't fly like me  
It's a crime I got boys shorter than my eyeline  
Might as well be sitting on the sideline  
Rock a hoodie better than your boyfriend on his best day  
Even when he at the gym working chest day  
Flirt skirt pop a perk let it flow through my body  
I'm too busy walk it talk it on cloud nine  
Acting like I don't know nobody  
So I text my bitch we got this flick like girl where we gone sit  
Is that Ronny is that Michael ain't that boy that just went psycho  
He kinda fine though not looking for a romance  
Just looking for a showman make me feel important  
Is that too much to ask anybody out there up to task  
Guess I'm to busy popping tags popping tags popping tags
