

Jukebox Marmelade

Asher Monroe

Jukebox
Jukebox marmalade
Jukebox
Jukebox marmalade

Jukebox marmalade
My kicks be rocking blue suede
Cali sunshine on my face
Live fast die young it's what the cool kids say

Smoke a j with a homie
Got my mind on my money
You ain't never seen a boy like me so fresh so clean

Oo you got me in the mood yea
Summertime blues
Were dancing on the moon yea
To all my favorite tunes (all my favorite tunes)

Now get loose... jukebox
Bust a move... jukebox marmalade
Feel the groove... jukebox, jukebox marmalade

Now get loose... jukebox
Bust a move... jukebox marmalade
Feel the groove... jukebox, jukebox marmalade

Jukebox marmalade
Take me to your sweet escape
Play some get it on by Marvin Gaye
While sipping cheap wine
Driving fast cars and switching lanes

Smoke a j with a homie
Got my mind on my money
You ain't never seen a boy like me so fresh so clean

Oo you got me in the mood yea
Summertime blues yeah
Were dancing on the moon yea
To all my favorite tunes (all my favorite, all my favorite...)

Now get loose... jukebox
Bust a move... jukebox marmalade
Feel the groove... jukebox, jukebox marmalade

Now get loose... jukebox
Bust a move... jukebox marmalade
Feel the groove... jukebox, jukebox marmalade

"Like more clean and little bit less what if we mix the 2 like the earlier o
ne da da da da da da da (uh uh)"

Oo you got me in the mood yea
Summertime blues yeah
Were dancing on the moon yea
To all my favorite tunes (all my favorite, all my favorite...)

At the after party... jukebox
Bust a move... jukebox marmalade
Feel the groove... jukebox, jukebox marmalade

Get loose in the lobby... jukebox
Bust a move... jukebox marmalade
Feel the groove... jukebox, jukebox marmalade
