

Love Away

Asher Monroe

I don't wanna love
When there's no lovin' back
I don't wanna sew up one heart
From two cut in half

You breakin' me to pieces again and again
You're tearin' me apart
And now I'm wondering'

Why you wanna throw our love away?
My heart is catchin' on to all your games
Don't you know I gave you everything
So why you wanna throw our love away?

Are you gonna love
With no strings attached?
Are you gonna promise forever
And then take it back?
We'll paint the perfect picture
Just to watch it fade
But I can't let you go (I can't let you go)
When I keep wondering'

Why you wanna throw our love away?
My heart is catchin' on to all your games
Don't you know I gave you everything
So why you wanna throw our love away?

Don't say I should just hold on
Say I should let you go
Say everything feels wrong
When it's something we both know

I'm sorry baby
It's just so hard to say
I'm worried baby
If we throw our love away [fade]
(If we throw our love away)

Why you wanna throw our love away?
My heart is catchin' on to all your games
Don't you know I gave you everything
So why you wanna throw our love away?

I don't wanna love
When there's no lovin' back
I don't wanna sew up one heart
From two cut in half
