

Midnight Masquerade

Asher Monroe

How do you fall asleep at night?
Covered in your filthy lies
You find a way to justify
Or point the blame just to deny
Oh, how many secrets do you keep
Walking around in your misery?
A heavy smite might knock you down
When karma comes back around

They that sow, the wind shall reap
Taking me, my soul to keep
Time and tide wait for no man
Take it now, so faults may end

Walk around your masquerade
Hide behind your guilt and shame
You're choking in your solitude
You think you're wise but just a fool
Manners truly make it mend
Humility leads to make amends
What can't be fixed must be undone
Prevention's better than a cure

They that sow, the wind shall reap
Taking me, my soul to keep
Time and tide wait for no man
Take it now, so faults may end

Na-na, na-na-na-na
Na-na-na-na, na-na-na
Na-na, na-na-na-na
Na-na-na-na, na-na-na

They that sow, the wind shall reap
Taking me, my soul to keep
Time and tide wait for no man
Take it now, so faults may end
