

Sign Your Love

Asher Monroe

I could show you how this love would feel for life
I will give you what you need
Instead of what you like

I'm gonna make you mine
And show you that it's real
Don't wanna waste no time
To be the one you love
Don't wanna string your eyes
Don't need to read between the lines
Lines for lines

'Cause I got love
I got love
Will you sign your love?
Girl I will cross my heart
I won't let you down

Do you love
Do you love me now?
Do you love
Do you love me now?
Do you love
Do you love me now?

I'm a need you to show me now
I'm a need you to show me now
I'm a need you to love me now
I'm a need you to love me now

Girl I'm ready to get here
And take control
Let's just take some time

To show you that I know you

Been looking for love
From soul to soul

I'm gonna make you mine
And show you that it's real
Don't wanna waste no time
To be the one you love
Don't wanna strang your eyes
Don't need to read between the lines
Lines for lines

'Cause I got love
I got love
Will you sign your love?
Girl I will cross my heart
I won't let you down

Do you love
Do you love me now?
Do you love
Do you love me now?

Do you love
Do you love me now?
Do you love
Do you love me now?
Do you love
Do you love me now?

I'm a need you to show me now
I'm a need you to show me now
I'm a need you to love me now
I'm a need you to love me now
