

Unpredictable

Asher Monroe

Looking through your window
I came to see you
But you packed your bags again
Now you leaving a note
With your same old reasons
Bet your back when the day ends

Every little step I take
I feel you walking away
Nobody wins the games we play
We fight and then make love again
If what we had was real don't play pretend
This back and forth game just don't make any sense

Should I stay or should I go
One day your hot and another your cold
I don't know I don't know
Is it yes or is it no?
Is it a make up or is it a break
I speed to the win with a chase
Don't want to end in a heartbreak
Cause I don't know I don't know
She's so unpre- unpre- unpre- unpredictable
[*whistle*]
She's so unpredictable
[*whistle*]

Day and night
It's like a roller coaster ride
Of ups and down
Don't know where to run or hide
Lost or found a love I can't live with
Or live without

Every little step I take
I feel you walking away
Nobody wins the games we play

We fight and then make love again
If what we had was real don't play pretend
This back and forth game just don't make no sense

Should I stay or should I go
One day your hot and another your cold
I don't know I don't know
Is it yes or is it no?
Is it a make up or is it a break
I speed to the win with a chase
Don't want to end in a heartbreak
Cause I don't know I don't know
She's so unpre unpre unpredictable

I gave my all don't you forget
I stood by your side when there was none left oh no you don't have to go
I can only hold on for so long the more you break me down the less I'm strong
Oh no you gotta let me know

[*whistle*]

Should I stay or should I go
One day your hot and another your cold
I don't know I don't know
Is it yes or is it no?
Is it a make up or is it a break
I speed to the win with a chase
Don't want to end in a heartbreak
Cause I don't know I don't know
She's so unpre- unpre- unpredictable

She's so unpredictable
She's so unpre- unpre- unpredictable
