

Dark Chocolate

Asher Roth

Been a long day on my cellphone
I just wanna be alone
Part of me wants to stay home
Already see me gettin' old
Been a long day on my cellphone
I just wanna be alone
Part of me wants to stay home
Already see me gettin' old
I just want dark chocolate, I just want dark chocolate
That sweet dark chocolate, sexy dark chocolate

[?], lonely in East L.A
Some time and peace and quiet

I just want dark chocolate, send me to the [?]
[?] bitter sweet, send me to the end
I just want dark chocolate, I just want dark chocolate
That sweet dark chocolate, sexy dark chocolate
I just want dark chocolate, I just need dark chocolate
I just want dark chocolate, I just need dark chocolate
