

For The Fun

Asher Roth

I miss doing it for the fun
Man **** a paycheck
I just wanna goof off
With my stupid ass friends
Freestyling while we driving
And it doesn't make sense
And it doesn't make dollars
It's a Honda not a Benz
The day to day intense
In LA you gotta spend
I'm making memories
That why I say I'm making M's
Every girl out here a 10
But all I needs a 5
Cuz you and me together
Is substantial for the West Side
Now we at Malibu trailer park
Talking heartbreak while we making art
And we face the hardest part without the Maker's Mark
If one of us falls again, all of us gone fall apart
And I cannot let the group chat dry up
I'm the gif supplier, must provide the fire
Look like Ed Sheeran but no bad habits
Everything I make is a hit God damn it

Can we please do it for the fun

Ha ha that's funny
So you want to do it for the love not the money
Ash that's cute but the suits
Gon wanna talk to you
Offer quarter million with a view
Hmm, let me think
If I want to try to make it big
Imma have to make the songs people sing?
Bling cha-ching
But singing isn't really my thing
I'd rather hang in Philly have a drink
Boom bada bing
Maybe I should go and see a shrink
Cause the music nuera-linked to my brain
But maybe there's a way that

We can separate it
Make music daily
Just to get the pay-pa
Isn't it a shame that
This is in my veins bad
And I can't fake it
Is nothing sacred?
Goodness gracious
No you can't pay that
Label it and name
In exchange for the fame

Cause we do it for the fun
La la la la la
La la la la la
La la la la la
I miss doing it for the fun

Let's do it for the fun
