

Get By

Asher Roth

I've been drinking a lot
I've been smoking a lot
I know I will get by
I'm gone make it this time [x2]

Drink my drink
Smoking weed
Laying low floating free
I tell you like they told me
Yo money doesn't grow on trees
If it did, I'd be good
I'd be rich, I'd be set
I'd be in some island
With vagina, high nah
Sippin red
But instead, paying rent
Money spent, money lent
Money, ends, a couple friends
Yo what the fuck it don't make sense
Smoke a joint
Let it be, let it breath, let it lead
What could they be telling me?
Exactly what it's supposed to be.

Hold up, hold up, hold up, hold up, let me roll let me roll up,
roll up, roll up...
Hold up, hold up, hold up, hold up, let me roll up, roll up, ro
ll up
