Asher Roth

Don't mean nothin'.
Just keep it comin'. Crazy.
'Cause I been thinkin' bout you lately.
I know it may seem new to you, to you.
But anyway...

Come on, give me a break.
There's a few things that I just can't take.
I'm testy when it's like pet peeves too.
Excuse me, could you please stop doing that?
(Stop doing that!)

I'm new to rap, thought you knew that.
Say my name and the crowd goes "Who dat?" (Who's that?)
Judo slap, do get a clue, back that be Ash and the way that he moves that.
Marching Bad, jam with a tuba.
Trumpets flare, standing you up.
The bass drum will thunder the air,
One snap of the snare 'til the damn thing blew up.
You up? Do what I do and the beat comes in.
The fans be rootin'. (Root Root)
For me?
Fans keep booin'. (Boo)
For you.
Band, keep goin'.

Don't mean nothin'.
Just keep it comin'. Crazy.
'Cause I been thinkin' bout you lately.
I know it may seem new to you, to you.
But anyway...

Don't mean nothin'.
Just keep it comin'. Crazy.
'Cause I been thinkin' bout you lately.
I know it may seem new to you, to you.
But anyway...

(Oh yeah.) Back to what bugs me.
You emcees must be clumsy.
Humpty Dumpty, crack head druggies.
Say dumb things, you just disgust me. (Yuck!)
Above the bad influence.
Rap is dead, I thought you knew it?
So true it is, boo-hoo it. (Boo hoo)
Me, the urge, to come re-boot it. (Boop)
Come re-tool it.
Jet engine, yes, let's re-fuel it.
So fluent.
Flow so?
All new sound, all new music.
Prove it. Listen to it.
Offer you an all-inclusive viewin'.
Two-tone unit. Half rap act, half college student.
Intruding. Rude entrance. Introducing a new movement.
Move it. Just keep movin'.
One and two and drum and boom and -

You up? Do what I'm doin'.
The beat comes in and the fans be rootin'. (Root Root)
For me?
Fans keep boooin'. (Boo)
For you.
Band, keep goin'.

Don't mean nothin'.
Just keep it comin'. Crazy.
'Cause I been thinkin' bout you lately.
I know it may seem new to you, to you.
But anyway...
