

End of the Rope

Ashers

How do you Know you're at the end of the rope?
When your mind becomes filled with the doubt,
And you can't even spit it out.
When you say you wanna kill yourself.
When you got to find yourself.

Is anything forever?

How do you Know you're at the end of the rope?
When you wanna go strike a match.
When your world starts fade black.
When you start to lose yourself.
When you betray what matters most.

How do you Know you're at the end of the rope?
When you have so much to hide.
When you starts to feel dead inside.
All you do is lie lie lie.
That's how you know you're at the end of the rope.
