

## All I Need

## Ashes Remain

The waters will rise  
And rains will fall  
With you by my side  
I'll stand through it all  
When hope takes flight  
And sorrow sets in  
We'll walk through the night  
And let the light in

You are all that I need  
Your words have calmed, calmed deceased  
And I don't know what tomorrow holds  
But you are all I need

When my world falls apart  
And trouble is born  
If you hold my heart  
I'll weather the storm  
'Cause you are the one  
That covers my soul  
Hold on tight  
And don't let go

You are all that I need  
Your words have calmed, calmed deceased  
And I don't know what tomorrow holds  
But you are all I need

You are all that I need  
Your words have calmed, calmed deceased  
And I don't know what tomorrow holds  
But you are all I need

All I need, all I need, mhhh  
All I need

You are all I need  
You are all I need  
You are all I need  
You are all I need
