

## Save me

## Ashes Remain

Breaking apart  
Apart at the seams  
And holding onto  
Nothing but dreams  
And pushing me in  
And pulling me out  
Listen to me now

Save me  
Don't let me fall  
Let me fall  
Save me  
Don't let me fall  
Let me fall

Breaking your heart  
Apart at the seams  
And letting go  
Over the dreams  
And pushing you in  
And pulling you out  
Listen to me now

Save me  
Don't let me fall  
Let me fall  
Save me  
And don't let me fall  
Let me fall  
AWAY

Save me  
Don't let me fall  
Let me fall  
Save me  
And don't let me fall  
Let me fall  
AWAY !!
