

# Dance Forever

Ashford & Simpson

Ar on the northeast side there's a rainbow  
No more tears, no more problems you will know  
It's not a fantasy, 'cause it's real to me  
Do you want to go to a place where we can dance  
To a place where we can dance  
To a place where we can dance forever

Dance forever  
Dance forever  
Dance forever  
Dance forever  
Dance forever  
Dance forever

If you're lonely and it seems  
Your life is full of ordinary things  
Don't you worry, don't despair  
These hard times we've all had to share  
There's a new horizon waiting for me and you  
Tell you what we're gonna do  
Leave everything, leave it behind  
You need nothing  
All you got to do is make up your mind to dance forever

Dance forever  
Dance forever  
Dance forever

Don't ever come out of the spin  
Take it on down  
And bring it on up again  
Don't ever come out of the spin  
Got to keep dancing until the morning

Don't ever come out  
Don't ever come out  
Don't ever come out  
Don't ever come out  
Don't ever come out  
Don't ever come out

Far on the northeast side there's a rainbow  
No more tears, no more problems you will know  
Then we're gonna dance forever

Dance forever  
Dance forever

Don't ever come out of the spin  
Take it on down  
And bring it on up again  
Don't ever come out of the spin  
Got to keep dancing until the morning
