

# It Shows In The Eyes

Ashford & Simpson

Ba-ba-ba-ba-baby  
Oh, oh... oh... oh...  
Ooh, ooh

No, you don't think nobody sees ya  
Act as if it's all so far beneath ya  
Say you don't care  
Well, I declare, some people

Talk and sass around like it don't matter  
You're the only one who's all together  
Say it's never love that you're thinkin' of

But it shows in the eyes  
It shows in the eyes (Just a hint of tears you cry)  
It shows in the eyes (Don't you know)  
It shows in the eyes  
That's the mirror to your soul  
And it's something you can't disguise

Try to wear a face without no passion  
Masquerade around like love's old fashioned  
Just because it's not something you got  
Don't knock it

Try to second guess what people see  
All the time it's just your vanity  
No one's impressed and you wonder why

Well, it shows in the eyes {Oh, babe}  
It shows in the eyes (No, no)  
That's the mirror to your soul  
And it's something you can't disguise {Oh, baby}

It shows in the eyes (Ooh...) {Don't you know}  
It shows in the eyes  
That's the mirror to your soul  
And it's something you can't disguise

What you hidin' for  
Behind the door  
Come on out  
Don't be scared no more

Somebody's lookin'  
Somebody sees  
And you can't push it  
Up your sleeve

It shows in the eyes (Ooh, yeah, yeah, yeah) {Don't you know}  
It shows in the eyes (Ooh)

What you hidin' for  
Behind the door  
Come on out  
Don't be scared no more

Somebody's lookin'  
Somebody sees  
And you can't push it  
Up your sleeve

It shows in the eyes  
It shows in the eyes  
That's the mirror to your soul  
And it's something you can't disguise

It shows in the eyes {Don't you know}  
It shows in the eyes (Yes, it does)  
That's the mirror to your soul  
And it's something you can't disguise

It shows in the eyes {Don't you know}  
It shows in the eyes  
That's the mirror to your soul  
And it's something you can't disguise {You can't disguise, baby}

It shows in the eyes {Don't you know}  
It shows in the eyes {Ah, yeah}  
That's the mirror to your soul  
And it's something you can't disguise
