

Tried, Tested And Found True

Ashford & Simpson

You disbeliever, your eyes are judging me
But before the verdict, hear my plea
You needn't be afraid
I've been bonafide
Some try to disprove it, couldn't put a candle to it

Chorus:

My love's been tried, tested
My love's been tried, tested and found true
And I'm here to give it to you

Look through the records for any evidence
In double dealing, there's not one offense
So come on now
You needn't be so suspicious of me
Just like the records say I gave a little more each day

Repeat Chorus
