

# Letcha Fly

Ashland Craft

I see your Silverado's loaded down  
With your bags packed in the back  
You can't hide the freedom in your eyes  
I hate that I love when you look at me like that  
You never stay in any one place  
For longer than a little while  
Maybe you would if I asked you to  
But that ain't my style

I think I'm gonna have to let ya fly  
I think I'm gonna have to let ya fly  
You got a wild in you, baby  
And I'll never try to tame you  
Yeah, I know it 'cause we're two of a kind  
So I'm gon' have to let you fly

Can't say I never saw it comin'  
I knew what I was gettin' into  
You can't rope an always-gonna-go  
Where-the-wind-blows cowboy like you  
Don't wanna do what everybody does  
Down here and I don't blame ya  
If lovin' you means lettin' you go  
Then go wherever it takes ya

I think I'm gonna have to let ya fly  
I think I'm gonna have to let ya fly  
You got a wild in you, baby  
And I'll never try to tame you  
Yeah, I know it 'cause we're two of a kind  
So I'm gon' have to let you fly

I think I'm gonna let ya fly  
(Gonna have to) Fly  
(Gonna have to)

(Ooh)  
I knew it from the minute that I met ya  
(Ooh)  
When you want, I'm gonna have to let ya

Fly, ooh yeah  
Fly  
You got a wild in you, baby  
And I'll never try to tame you  
Yeah, I know it 'cause we're two of a kind  
So I'm gon' have to let you fly

I think I'm gonna let ya fly  
(Gonna have to) Fly  
(Gonna have to) Ooh
