Ghost

Ashland

This ain't a dream
You're just a ghost
You wanna haunt me
I ain't asleep
You're just a ghost
No you can't hurt me

But I know, I know you
I know, I know you
I know, I know you

Who do you think you
Who do you think you
Who, who do you think you
Who, who do you think you are
Who do you think you are
Who do you think you
Who, who do you think you
Who, who do you think you are
Who do you think you are

You never moved on, you want me to
Feel you when you're gone (mmm)
Follow me around, singing your song
That you wrote about me (mmm)

But I know, I know you
I know, I know you
I know, I know you

Who do you think you
Who do you think you
Who, who do you think you
Who, who do you think you are
Who do you think you are
Who do you think you
Who, who do you think you
Who, who do you think you are
Who do you think you are

It's never gunna be the same
I can see right through you baby
Never gunna be the same
Stop sending me apologies
It's never gunna be the same
No I don't care what you say
It's never gunna be the same
You only care because you lost me

Who do you think you
Who, who do you think you
Who, who do you think you are
Who do you think you are
Who do you think you (I, I know you)
Who, who do you think you (I, I know you)
Who, who do you think you are (I, I know you)
Who do you think you are

Who do you think you
Who, who do you think you
Who, who do you think you are
