

Gotta Go

Ashland

Long road, long road
Haven't slept since God knows when
Money low, money low
Just might throw the towel in
Just might throw the towel in

Far now, too far now
There ain't no going back
Saw the light, hit the ground
Stickin' with it good or bad
Stickin' with it good or bad

I don't know if I got it in me
All I know, all I wanna know
I don't know where this road'll take me
All I know, all I know is I gotta go

Oh oh oh oh I gotta go
Oh oh oh oh I gotta go
Oh oh oh oh I gotta go
Even if I go alone

They tell me, tell me
Get my head out of the sky
Better safe than sorry
But that ain't how I live my life
That ain't how I live my life

I don't know if I got it in me
All I know, all I wanna know
I don't know where this road'll take me
All I know, all I know is I gotta go

Oh oh oh oh I gotta go
Oh oh oh oh I gotta go
Oh oh oh oh I gotta go
Even if I go alone

And if I come to the end of the road
And I got nothing left to show
Well at least I know I did the best I can
Oh because I never ever gave in, never ever gave in
Never ever ever ever ever

I don't know if I got it in me
All I know, all I wanna know
I don't know where this road'll take me
All I know, all I know is I gotta go

Oh oh oh oh I gotta go
Oh oh oh oh I gotta go
Oh oh oh oh I gotta go
Even if I go alone
