

# I Hate That

Ashland

If I ever meant it, never meant it like I do tonight, tonight  
We've been in the deep end, shallow words cutting like a knife,  
a knife

Ooh I hate that you know everything about me  
And ooh I hate that you keep loving me, you keep loving me  
And ooh I hate that you hold me when I wanna leave  
And ooh I hate that, I hate that

Oh oh oh this love is so dysfunctional  
Oh oh oh are you tryna hide  
Oh oh oh you make me so emotional  
Oh why do you always lie

Not the type of person to live secretively and afraid, afraid  
Somehow you got me out here and I feel my confidence being eras  
ed, erased

Ooh I hate that you know everything about me  
And ooh I hate that you keep loving me, you keep loving me  
And ooh I hate that you hold me when I wanna leave  
And ooh I hate that, I hate that

Oh oh oh this love is so dysfunctional  
Oh oh oh are you tryna hide  
Oh oh oh you make me so emotional  
Oh why do you always lie

You tell me that I'm crazy and that it's all in my mind  
You don't look at me lately, no you don't even try  
All the time I spend just wondering why  
What you're doing doesn't hurt me as much as the lie

Oh oh oh this love is so dysfunctional  
Oh oh oh are you tryna hide  
Oh oh oh you make me so emotional  
Oh why do you always lie
