Misery

Ashland

Just wanna say thank you for everything you've done for me
Thank you for putting me outta my misery

Let me rephrase what I mean so you understand (understand)
I was living out my dream till you showed up and crushed that p
lan

You saw me, you got me, you promised the world
Broke everything and then wanted a return
I know why (know why)
You could never look me in the eyes

Just wanna say thank you for everything you've done for me
Thank you for putting me outta my misery
Oh God, you're hopeless, all I can do is pray for you
Karma's coming, all I can do is pray for you

If it hadn't been for you, I'da never known (never known)
All the things I thought I wanted is exactly what I don't

You saw me, you got me, you promised the world
I believed you like a stupid girl
I know why (know why)
You left like a thief in the night
And that's why I

Just wanna say thank you for everything you've done for me
Thank you for putting me outta my misery
Oh God, you're hopeless, all I can do is pray for you
Karma's coming, all I can do is pray for you

I never wanted it, I never wanted it
To end like this (like this), but you ruin everything
I never wanted it, I never wanted it
To end like this (like this), and you will see me rise again

Just wanna say thank you for everything you've done for me
Thank you for putting me outta my misery
Oh God, you're hopeless (hopeless), all I can do is pray for yo
u
Karma's coming (is coming), all I can do is pray for you
All I can do is pray for you
