

# Why

Ashland

Can somebody tell me why I'm always on the run  
Can somebody tell me why I can't have any fun  
Cause I don't know how to let go I hold on to my pain  
And every time the wind blows I go up in flames  
Can somebody tell me why

Why oh why oh why can anybody tell me  
Why oh why oh why cause I just keep on waiting

Can somebody tell me why every high and low  
I feel it all deep inside and it shakes me to the bone  
Cause I don't know how to let go I hold on to my pain  
And every time the wind blows I go up in flames  
Can somebody tell me why

Why oh why oh why can anybody tell me  
Why oh why oh why cause I just keep on waiting

Ooh

Was I just made this way to spiral down the drain and  
Never live a day without my pain let the world get the best of  
me  
Why oh why oh why  
Why oh why oh why

Round and round and around I go Ooh  
Round and round and around I go Ooh  
Round and round and around I go Ooh  
Round and round and around I go Ooh
