

I Do

Ashlee Simpson

Something, you give me something
That special something no one never could
And if there's one thing I know, yeah
I know that you're the one
Leaving me open
I'm floating for your love

You're asking me if I love you
I do, I do, I do (I do, I do)
You're asking me if I trust you
I do, I do, I do (I do, I do)
I know the world can be broken
But it's okay, I got you
And I'ma make you tomorrow
With you, with you, with you

Whenever I lose my way, you help me
This love came over me like a hurricane
But I know you got me
Out the darkness, I can see
And baby, there's no place I'd rather be

You're asking me if I love you
I do, I do, I do (I do, I do)
You're asking me if I trust you
I do, I do, I do (I do, I do)
I know the world can be broken
But it's okay, I got you
And I'ma make you tomorrow
With you, with you, with you

Just love me this way
Trust me the same
'Cause I'd do, I'd do anything for you
I'd do, I'd do anything for you
Just trust me the same

You're asking me if I love you
I do, I do, I do (I do, I do)
You're asking me if I trust you
I do, I do, I do (I do, I do)
I know the world can be broken
But it's okay, I got you
And I'ma make you tomorrow
With you, with you, with you
And I'ma make you tomorrow
With you, with you, with you
And I'ma make you tomorrow
With you, with you, with you
With you, with you, with you
