Ashlee Simpson

That was so funny
Yeah
That didn't work out
Wait, I
You tryna look at it?

It's quarter to nine
Friday night
I'm way too tipsy
I'm ready to ride
'Cause we locked eyes
If you come get me
Come get me

Gimme your attention
Baby, I can't hold back
Guilty by submission
Baby, I can't hold back
Gimme your attention
Baby, I can't hold back
Guilty by submission
Baby, I can't hold back

You're my tonic
My vodka tonic
Alright
You're my tonic
My gin and tonic
Alright
You're my tonic
My vodka tonic
Alright
You're my tonic
My gin and tonic
Alright, alright
(Alright, alright, alright, alright, alright)
(Alright, alright, alright, alright, alright)

Its a quarter to five
Been out all night
I'm way too twisted
I'm dancing on you
Enjoy the view
I'm way too gifted
Too gifted
Give me your
Give me your
Gimme your attention
You cannot just hold back
Gulty by submission
You cannot just hold back
Gimme your attention
You cannot just hold back
Gulty by submission
You cannot just hold back

You're my tonic

My vodka tonic
Alright
You're my tonic
My gin and tonic
Alright
You're my tonic
My vodka tonic
Alright
You're my tonic
My gin and tonic
Alright, alright
(Alright, alright, alright, alright, alright)

Every time your over here filling my cup
