

Too Bad You're No Good

Ashley Gearing

Sitting here thinkging about you and me

It's a crying shame 'cause it's plain to see

You made me love you so bad

You made me love you so bad

You made me love you so bad

Too bad you're no good

You smile like an angel

Lie like a rug

You wouldn't change if you could

'Cause it's in your blood

You made me love you so bad

You made me love you so bad

You made me love you so bad

Too bad you're no good

Oh Midnight knocking

You're dropping around

Trash talking

Is talking me down

You better watch out

When you pull that stuff

Fun is fun

But enough is enough

Oh yeah

(Chorus)

Call the preacher

Call the police

With a man like you

It's famine or feast

You made me love you so bad

You made me love you so bad

You made me love you so bad

Too bad you're no good

Hit it boys

Mmmm

Ah well

I talked to your mother

She knows I tried

I talked to your brother

He was on my side

The hardest thing I have to comprehend

Is if I had to do it over

I'd do it again

Yeah, yeah

(Repeat Chorus)

You made me love you so bad, bad, bad

Too bad you're no good

You just ain't no good

Oh you fast talking, slow walking, two timing man

Ow

Whoo

Mmmmm mmmm

Ah it's too bad

Yeah you made me love you so bad

Too bad you're no good

You just ain't no good

Ha ha
