

Fairy Dance

Ashley Maclsaac

Hangman hangman, slack your rope, slack it for a while
No more auction block for me, no more, no more
No more auction block for me, no more, no more, no more
No more driver's lash for me, no more, no more
No more driver's lash for me, no more, no more
No more driver's lash for me, no more, no more
No more driver's lash for me, no more, no more
No more begging on my knees, no more, no more
I am going to set myself free for sure, for sure
And a allemande left and a allemande right
And a allemande left and a allemande right
All join hands, now let's on the right
