

# Radioland

Ashley McBryde

We had one country station  
You could drive and listen  
All the way to Water Town  
Mama kept oldies  
Playing in the kitchen  
Turned up just a little too loud  
Daddy was a rockstar  
Riding on a tractor  
Listening to Townes Van Zandt  
I was 5 years old  
With a hairbrush microphone  
Growing up in Radioland

Whoa, Radioland  
Just the other side  
Of a dashboard light  
There ain't a dream  
You can't dial in  
Radioland, Radioland  
Radioland  
Yeah!

Catch a Friday night game  
Or a Sunday sermon  
In the cab of a Chevrolet  
Casey Kasem and an old Panasonic  
Counting down my Saturday  
Mix tape Valentine  
Love cuts like a knife  
I wanna hold your hand  
Well I got my first kiss  
I got to first base  
All thanks to Radioland

Whoa, Radioland  
Just the other side  
Of a dashboard light  
There ain't a dream  
You can't dial in  
Radioland, Radioland  
Radioland

Buy a guitar  
Learn a couple songs  
Find some buddies  
And start a band  
Get on a bus  
Try your luck  
Out here in Radioland

Radioland, Radioland  
Radioland, Radio- Johnny and June  
Radioland, Radioland  
Radioland, Radio- Jack and Diane  
Radioland, Radioland  
Radio, radio

There ain't a dream  
You can't dial in  
Out here in Radioland

Radio... Radioland  
Radio...
