

# I Mean It

Ashley Monroe

Sometimes, you have to read between the lines  
To see what's on my mind  
While we both sit here silently  
May I be as simple as can be  
Make every word mean what it means  
As clear as any bell that's ringing

When I tell you I can't live without you, baby  
I'm not talking crazy  
I mean it  
Your love's the only breath I'm breathing  
You're the only reason  
I mean it

Sometimes, my words come out a mess  
And it all comes off my chest  
Such stupid, foolish, selfish pride  
I think what it really comes down to  
Is the fear of losing you  
I'd be in the dark without your light

When I tell you I can't live without you, baby  
I'm not talking crazy  
I mean it  
Your love's the only breath I'm breathing  
You're the only reason  
I mean it

(Can't live without you)  
(You are the life blood)  
(I sing for you, I dream for you)  
(Everything that I do is for you)

When I tell you I can't live without you, baby  
I'm not talking crazy  
I mean it  
Your love's the only breath I'm breathing  
You're the only reason  
I mean it

(I mean it, I mean it, I mean it)  
(Can't live without you)  
(You are the life blood)  
(I sing for you, I dream for you)  
(Everything that I do is for you)
