

## See

Ashley Monroe

You can't see  
You can't see  
You can't see  
What you're doing to me

I see a million stars undercover  
The fortunate fire  
The soul of a lover  
The good and the bad  
I'll take it all baby, I wanna save you  
'Cause I know that you saved me forever

You don't know  
You don't know  
You don't know  
How deep that it goes

I see million stars undercover  
The fortunate fire  
The soul of a lover  
If you could only  
See what I'm seeing  
Know when I touch you  
You're all that I'm needing forever

And I wish that I could find the words  
To show what you it's like (You can't see)  
And I wish that I could wake you up  
Open up your eyes (You can't see)

I see a million stars undercover  
The fortunate fire  
The soul of a lover  
The good and the bad  
I'll take it all baby, I wanna save you  
'Cause I know that you saved me forever
