Ashley Sienna

Lost  
Get lost  
Deep in the fog, just walk  
And say a prayer if you dare to eat it

Touch  
Forbidden touch  
Make sure that God doesn't watch  
We might get caught

But you love it  
You put nothing above it  
You want a little bite, a delight  
For the summit  
Yeah go get greedy  
I know how bad you need me  
Like how you put your life on the line  
Just to please me

Temptation  
You're craving a ride  
I'll give you life  
And make you mine, make you cry, take a nice bite  
Temptation  
Your haven  
Tonight  
I'll give you life  
And make you mine, make you cry, take a nice bite

Pretty poison  
Is the route you're taking  
Destroying  
A paradise that's sacred

But you love it  
You put nothing above it  
You want a little bite, a delight  
For the summit  
Yeah go get greedy  
I know how bad you need me  
Like how you put your life on the line  
Just to please me

Temptation  
You're craving a ride  
I'll give you life  
And make you mine, make you cry, take a nice bite  
Temptation  
Your haven  
Tonight  
I'll give you life  
And make you mine, make you cry, take a nice bite

Just one taste, you'll never leave  
Risk it all under this tree  
Boy you're in for a good treat  
You want it so desperately
