

# Lemons

Ashley Tisdale

I can't afford these late nights and staying up  
My tired eyes are signs I've done way too much  
La-la-la-lately, my life's been crazy  
And I've been feelin' stuck

Discovering I've got notes I never knew  
When everything's a struggle it's hard to move  
They're paralyzing, but I'm still trying  
Got all this shit to do

I've been over-extended  
I've been stretching myself too thin

I'll take these walls and kick-kick-kick them down  
Take all my problems knock 'em to the ground  
Some days I can't get out of bed  
But my mama always said  
"Life gives you lemons you just work it out"

I've had my share of fuck ups, I've made mistakes  
I've done my best with no luck and cried to sleep  
Look at the good days (and then the bad days)  
I'll wear the bad days (I'll wear the bad days)  
Can't let 'em get to me (Can't let 'em get to me)

I've been over-extended  
I've been stretching myself too thin  
And so

I'll take these walls and kick-kick-kick them down  
Take all my problems knock 'em to the ground  
Some days I can't get out of bed  
But my mama always said  
"Life gives you lemons you just work it out"

Filter out the sounds  
Slow my heart break down  
(Slow my heartbreak down)  
I'll take the noise and the fears  
And I'll shh, shh, shh, shh, shh, shh shut 'em up

I'll take these walls and kick-kick-kick them down  
Take all my problems knock 'em to the ground  
I'll take these walls and kick-kick-kick them down  
Take all my problems knock 'em to the ground  
Some days I can't get out of bed  
But my mama always said  
"Life gives you lemons you just work it out"

"Life gives you lemons you just work it out"  
Oooh "Life gives you lemons you just work it out"  
Yeah "Life gives you lemons you just work it out"  
Mmm I'm gonna work it out
