

# Love Me for Me

Ashley Tisdale

[Verse 1:]

I'm not the girl that you see in the magazine  
Perfect face and perfect body  
Never be anyone but the one I am, what I am  
I can't bend to your expectations  
Look to fulfill any fantasy  
If what I am is what you need

[Chorus:]

Love me for me  
And not for someone I would never be  
Cause what you get is what you see  
And I can't be anymore than what I am  
Love me for me  
Or don't love me

[Verse 2:]

Don't think you're gonna change what's inside of me  
Make me who you want me to be  
Won't be someone I'm not  
Somebody else, someone else  
Love me with all my imperfections  
Not for an image of your design  
Love me for what you see inside

[Chorus:]

Love me for me (love me baby)  
And not for someone I would never be  
Cause what you get is what you see  
And I can't be anymore than what I am (no, no)

Love me for me (yeah, yeah)  
And not for someone you wish that I could be

Cause what you get is what you see (What you see)  
And I can't be anymore than what I am (no)  
Love me for me  
Or don't love me

[Bridge:]

I'd never do anything to change you (to change you)  
Or make you be anything than who you are (who you are)  
All that I am is all that I can be  
I love you for you  
So love me for me

Love me for me  
(Yeah, Yeah)  
Or don't love me...

[Chorus:]

Love me for me  
And not for someone I would never be  
Cause what you get is what you see  
And I can't be anymore than what I am (no)

Love me for me (love me)

And not for someone you wish that I could be  
Cause what you get is what you see (Is what you see)  
So love me for me

Or don't love me

Love me for me

Or don't love me
