

Cheerleader

Ashnikko

Game face on, hit the pose like perfect
Smack my face on the pavement, nurses
Stitch me up, send me back out to dance
Pick my shorts out my ass with my blood-stained hands
KO'-ed, came to, felt a little funny
Heart full of spiders, legs made of gummy
Who do I have to kill to make everybody love me?
I want it, I'll win it, call it ambition

Feed the beast on broken dreams
Pheromones, amphetamines
Drama queen make murder scenes
Cut throats and I feel better

Hate me 'cause I'm beautiful, bitch, I don't like you either
Cheerleader, cheerleader, cheerleader, cheerleader
Tell me how my ass tastes, little bottom feeder
Cheerleader, cheerleader, cheerleader, cheerleader
Hate me 'cause I'm beautiful, bitch, I don't like you either
Cheerleader, cheerleader, cheerleader, cheerleader
Honey, I'm the lead role, you don't even feature
B-R-I-N-G I-T O-N, bring it on, bitch

Sexy, cute, popular to boot
Cup of Drano, lips turn blue
Filler, snip and glue
Am I fuckable enough for you?
I'm not a girl, I'm a swarm of bees
Wrapped in a skin suit, perfect teeth
God made me pretty, you made me mean
I brought a blade to the dance routine

Feed the beast on broken dreams
Pheromones, amphetamines
Drama queen make murder scenes
Cut throats and I feel better
Body bags and limousines
Gorgeous girls, guillotines
Drama queen make murder scenes
Cut throats and I feel better

Hate me 'cause I'm beautiful, bitch, I don't like you either
Cheerleader, cheerleader, cheerleader, cheerleader
Tell me how my ass tastes, little bottom feeder
Cheerleader, cheerleader, cheerleader, cheerleader
Hate me 'cause I'm beautiful, bitch, I don't like you either
Cheerleader, cheerleader, cheerleader, cheerleader
Honey, I'm the lead role, you don't even feature
B-R-I-N-G I-T O-N, bring it on, bitch
