

Chichinya

Ashnikko

I wanna rip out your eyeballs
Put 'em on a necklace
They're to die for
Dickless prick is micro
Here's the reasons you're a bitch
Have a slideshow

Oh, Chichinya
I go sticky-squishably
Chichinya, Chichinya-Chinya
My little grim reaper
Chichinya-incognita

Strawberry switchblade
Strawberry switchblade time
Raspberry ribcage
What knife does your ribcage like?
Slide it in six ways
Big tit clickbait bite
Strawberry switchblade
Strawberry switchblade time

I'm so fucking little
Put me in your pocket
I shaved my hairy toes for you
I'm a hobbit

And this is the thanks I get?
This is the thanks I get?
This is the thanksIi get?

I wanna rip out your eyeballs
Put 'em on a necklace
They're to die for
Dickless prick is micro
Here's the reasons you're a bitch
Have a slideshow

Oh, Chichinya
I go sticky-squishably
Chichinya, Chichinya-Chinya
My little grim reaper
Chichinya-incognita

My body is a burial ground
Touch it, die
Chichinya sweetums
Chichinya cut through you like butter

My body is a burial ground
Touch it, die
Chichinya freak 'em
Chichinya is a scrotum crusher

I wanna rip out your eyeballs
Put 'em on a necklace
They're to die for

Dickless prick is micro
Here's the reasons you're a bitch
Have a slideshow
