

Chokehold Cherry Python

Ashnikko

I'm a tickin', tickin', tickin' timebomb
Live a villain, die a icon
You should sleep with a light on
Chokehold cherry python
Shut up, be quiet
Watch me go, go geyser
Demidevil, I'm a liar
I'm the team's best hitter

Hey, hey, death and decay
Hey, hey, go get 'em
Hey, hey, blood on my face
Hey, hey, go get 'em

I'm a tickin', tickin', tickin' timebomb
Live a villain, die a icon
You should sleep with a light on
Chokehold cherry python
Shut up, be quiet
Watch me go, go geyser
Demidevil, I'm a liar
I'm the team's best hitter

Menacing figures fall from the sky
Symbols and sigils, I saw the signs
Rats in the sewers, death on the mind
I've set my sights on you, baby, you're mine

I'm a tickin', tickin', tickin' timebomb
Live a villain, die a icon
You should sleep with a light on
Chokehold cherry python
Shut up, be quiet
Watch me go, go geyser
Demidevil, I'm a liar
I'm the team's best hitter

Hey, hey, death and decay
Hey, hey, go get 'em
Hey, hey, blood on my face
Hey, hey, go get 'em

I'm a tickin', tickin', tickin' timebomb
Live a villain, die a icon
You should sleep with a light on
Chokehold cherry python
Shut up, be quiet
Watch me go, go geyser
Demidevil, I'm a liar
I'm the team's best hitter
I'm a tickin', tickin', tickin' timebomb
Live a villain, die a icon
You should sleep with a light on
Chokehold cherry python
Shut up, be quiet
Watch me go, go geyser
Demidevil, I'm a liar

I'm the team's best hitter
