Ashnikko
Hatsune Miku

You don't wanna see me bratty
Pet the kitty, call me catty
Make your man call me Daddy
He talk too much, he's too chatty (Huh)
CEO, I'm savvy
Respect a bitch, I'm a maverick
Flexible, so elastic
But don't you dare bend a bitch backwards

Fuck a princess, I'm a king
Bow down and kiss on my ring
Being a bitch is my kink
What the fuck else did you think?
Fuck a princess, I'm a king
Bow down and kiss on my ring
It's gonna hurt, it'll sting
Spitting up blood in the sink

I'm crazy, but you like that, I bite back
Daisies on your nightstand, never forget it
Blossom in the moonlight, screw eyes
Glacial with the blue ice, I'm terrifying

I'm terrifying
I'm terrifying

Call me crazy, I don't care
Wrap you up in my blue hair
Baby, I'm cute, cute, cute
Baby, I don't need you
Scary girl singing to the moon
I am the princess blue
I am the boss of you
Frozen flowers, icy bloom

Fuck a princess, I'm a king
Bow down and kiss on my ring
Being a bitch is my kink
What the fuck else did you think?
Fuck a princess, I'm a king
Bow down and kiss on my ring
It's gonna hurt, it'll sting
Spitting up blood in the sink

I'm crazy, but you like that, I bite back
Daisies on your nightstand, never forget it
Blossom in the moonlight, screw eyes
Glacial with the blue ice, I'm terrifying

I'm terrifying

Me and Hatsune Miku (Ah)
Like she said, we don't need you (No)
Blues Clues, like who's who?

I'm a cavity, she's a sweet tooth (Ooh)
Daisy chains on rainy days (Yeah, yeah)
The blood runs down the sewer drain (Drain, drain)
Daisy, babe, you baby face
Put that motherfucker in an early grave

Crazy, but you like that, I bite back
Daisies on your nightstand, never forget it
Blossom in the moonlight, screw eyes
Glacial with the blue ice, I'm terrifying

I'm terrifying
I'm terrifying
I'm terrifying
I'm terrifying
