

Daisy

Ashnikko

You don't wanna see me bratty
Pet the kitty, call me catty
Make your man call me daddy
He talk too much, he's too chatty (not cool)
CEO, I'm savvy
Respect a bitch, I'm a maverick
Flexible, so elastic
But don't you dare bend a bitch backwards

Fuck a princess, I'm a king
Bow down and kiss on my ring
Being a bitch is my kink
What the fuck else did you think?
Fuck a princess, I'm a king
Bow down and kiss on my ring
It's gonna hurt, it'll sting
Spitting up blood in the sink

I'm crazy, but you like that
I bite back, daisies on your nightstand
Never forget, I blossom in the moonlight
Screw eyes, glacial with the blue ice
I'm terrifying

I'm no Cinderella, but I like the shoes
Big glass platforms, bitch, I'm choosy
Long blue hair, blue as a bruise
Only trust a fella for some light amusement
I'm no prey, but I am pursued
Pray for me, nana, on the church's pews
No dickstration, can confuse me
Whiskey in my hip flask, nothing fruity

Fuck a princess, I'm a king
Bow down and kiss on my ring
Being a bitch is my kink
What the fuck else did you think?
Fuck a princess, I'm a king
Bow down and kiss on my ring
It's gonna hurt, it'll sting
Spitting up blood in the sink

I'm crazy, but you like that
I bite back, daisies on your nightstand
Never forget, I blossom in the moonlight
Screw eyes, glacial with the blue ice
I'm terrifying

I'm crazy but you like that
I bite back, daisies on your nightstand
Never forget, I blossom in the moonlight
Screw eyes, glacial with the blue ice
I'm terrifying

I'm terrifying

I'm terrifying
