

# Fuck Me In Shibuya

Ashnikko

Fuck me in Shibuya, wish I never knew ya  
Got a cold heart icycle sticking through ya  
Lets do karaoke, I'm begging 'im to choke me  
Lay him on my futon and blow like I got no teeth  
Roleplay, I could school ya, pokémon, duel ya  
German headmistress like "Das ist gut, ja?"  
Izakaya smokey, act like you don't know me  
10 steps behind me, creepin' on the lowkey

Lolitas line the block to my cheer squad  
Puppy dog eyes, give me teardrops  
Wrapped up in himself like a slipknot  
And checkin' his reflection in my lip gloss

Fuck me in Shibuya  
Fuck me in Shibuya

Fuck me in Shibuya, wish I never done it to ya  
Meet me at the corner store, 30 minutes sooner  
Is it something in the water, is it solar, is this lunar  
He licking on my neck, the rats watching from the sewer  
I can't wait, I can't wait, not just anybody's date  
Tuck a napkin down your shirt, and sauce me like a steak  
The girls call me kawaii, they pinching on my face  
We'll synchronize our steps you can follow in our wake

Lolitas line the block with their eyes low  
Tie you to the bed with the blindfold  
Got you in a trance making time slow  
Ma-ma-making time slow

Fuck me in Shibuya  
Fuck me in Shibuya  
Fuck me in Shibuya  
Fuck me in Shibuya

Act like you don't know me  
Act like you don't know me  
Act like you don't know me  
Act like you don't know me

Taste it, I laced it, silhouette, you traced it  
Pinch ya dimple cheeks and lock you in my basement  
I'm kidding, I'm kidding with a twitch in my eye  
Call me baby all you want, I'm a bitch in disguise  
At the highest vantage point as the sun goes down  
I'll push you of the balcony when no one's around  
Crimson dusk in the streets, kissing the cheeks of these hunnies  
Receding to the west as the night turns funny  
Passerbys stare me down and I think I've gone mad  
Police pull up say, "Baby girl you've been bad"  
Act like you don't know me  
Act like you don't know me

Fuck me in Shibuya  
Fuck me in Shibuya  
Fuck me in Shibuya

Fuck me in Shibuya
