Good While It Lasted

Ashnikko

I was bitter, broken, busted, ripping up our pictures
All these immature emotions, my eyes run like rivers
I lashed out, I burned your letters
I blacked out, I don't remember at all

Oh what we did was childish
Can we put this behind us? (Ooh ooh)
White hot raging, I was blinded
Our big love was so misguided (Ooh ooh)

We can't deny that it was magic
Nothing was nice, but I loved every minute
All the best love stories end tragic
We were good, we were bad
We were good while it lasted (Ooh ooh)
We were good while it lasted (Ooh ooh)

Forgive me for the nasty things that I say when I'm wounded
Now that I can think rationally, I feel so stupid
This is so small in the big simulation
In the grand scheme of things, we were just a blip

Oh what we did was childish
Can we put this behind us? (Ooh)
I'm done, I'm done (Ooh)
White hot raging, I was blinded
Our big love was so misguided (Ooh ooh)
I'm duh done (Ah yeah)

We can't deny that it was magic
Nothing was nice, but I loved every minute
All the best love stories end tragic
We were good, we were bad
We were good while it lasted (Ooh ooh)
We were good while it lasted
I'm done, I'm done (Ooh)
I'm duh duh done (Ooh)

We were good while it lasted
I'm duh duh done (Ooh)
I'm duh duh done (Ooh)
We were good while it lasted
I'm duh duh done (Ooh)
I'm duh duh done (Ooh)

I'm duh duh done
I'm duh duh done
I'm duh duh done
I'm duh duh done
