

Halloweenie II: Pumpkin Spice

Ashnikko

Ashnikko
I am shy
Hey grandpa, drop the beat
Shut the fuck up

Pussy's tight like he's fucking a pumpkin, ah
Booty sweet like a doughnut I'm dunkin'
Booty spooky got 'em shakin', he's jumping
After we freak, you know whose music he's bumpin' (mine)
Trick or treat, he want a piece of me Reeses
I'm Regina George, everybody wanna be me
Halloween candy in the orange Lamborghini
Tell him slurp the pussy like a plate of linguine

You know me, queen of Halloween
I'm a ghost in the sheets
Creepy on my bed squeak

Pumpkin spice this pussy baby
Happy Halloween
I don't need a costume
'Cause I'm already a freak
Pumpkin spice this pussy baby
Happy Halloween
I don't need a costume
'Cause I'm already a freak

Friday 13th, Freddy had a bad week
I'm your sleep paralysis and you ain't catchin' Z's
Little blue demon, little grimmy reap
Baby, I'm feeding and you look like meat
Blood on the ceiling, pick him out my teeth
Baby, I'm a butcher, this a meat n' greet

Pumpkin spice this pussy baby
Happy Halloween
I don't need a costume
'Cause I'm already a freak
Pumpkin spice this pussy baby
Happy Halloween
I don't need a costume
'Cause I'm already a freak

Monsters under my bed go oh
Get a little Halloween head like oh
Monsters under my bed go oh
Get a little Halloween head like oh
