

Halloweenie VI: Possess Me

Ashnikko

You're the oh oh oh oh one
I hope you didn't see me see me unhinging my jaw
Don't be scared, do not run
I need you to be patient with me, I'm no angel dove
I need you to be patient with me, I'm no angel dove

Possess me, lightweight lexapro, affect me, exorcism sexy
Wet leaves and fresh meat connecting
[?] sex sound, to set scene
Hex me, dissect me, swords out, protect thee

Ah
Possess me
Possess me

Lick it, lock it, diva demonic
I might scheme and plot it
the veil is thinning tonight
Hedonic
Okay, gossip
I want it
Ooh, my, you're the creature I like (Ooh)

Labrynthine libido
Find me peeps, y'all teach me how to love like people
Pierce my ego, suck me in like mosquito
All black like Neo, is it magic or placebo?
Fill me up with it anyways

In this sleepy town
They speak to me in whispers
Say my name out loud
Do you fear me now?
I need you to save me now
I call you, draw you out

I want it, I need it
I want it, I need it
I want it, I need it
I want it, I need it
I want it, I need it
I want it, I need it
I want it, I want it, I want it, I want it
I want it, I need it
I want it, I need it
I want it, I need it
I want it, I need it
I want it, I need it
I want it, I need it
I want it, I need it
I want it, I want it, I-

I am a shadow in the shape of a girl
I'm a bad omen with malevolent urges
They warned you, you want me
Together we can bring ruin to the kingdom

Possess me

Possess me
Possess me
Possess me

Possess me
Possess me
