

Itty Bitty

Ashnikko

Can you see my pussy?
Can you see my ass when I bend over?
Yeah? Okay, good

Itty bitty, teeny tiny, little slutty skirt
I like to put it on every time my heart hurt
Itty bitty, teeny tiny, little slutty skirt
I like to put it on every time my heart hurt

I'm gettin' finger fucked in the back of the club (How are you?)
Me and my girlfriend just broke up (Wow!)
Itty bitty, teeny tiny, little slutty skirt
I tuck my lip-gloss in my boot, bitch
I am here to work
(Work, work, work)

I whip my truck like a go-kart
She wants my cryogenic cold heart
I'm a rose quartz rockstar
Tranquilize me with a blow dart

Itty bitty, teeny tiny, little slutty skirt
I like to put it on every time my heart hurt
Itty bitty, teeny tiny, little slutty skirt
I tuck my lip-gloss in my boot, bitch
I am here to work

Wish I had two tongues, I'm a succubus
Lookin' for someone hung, pink dick like bubblegum
I just want to have fun, mischievous troublesome
DJ me 'til I'm numb, suck me Dyson hoover dumb

I wanna fall for someone new
Fuck in the bathroom, super cute
Thumbelina, dragonfruit
I'm magnetic, you want me too
Ah-ah-ah-ah
So sex in the city, I know it'll fix me
I'm doin' great right now, great right now, great right now, great
Can you see my pussy?
Can you see my ass when I bend over?
Yeah? Okay, good

Itty bitty, teeny tiny, little slutty skirt
I like to put it on every time my heart hurt
Itty bitty, teeny tiny, little slutty skirt
I'm like a bitch in heat in the desert with a thirst

I whip my truck like a go-kart
She wants my cryogenic cold heart
I'm a rose quartz rockstar
Tranquilize me with a blow dart

Itty bitty, teeny tiny, little slutty skirt
I like to put it on every time my heart hurt
Itty bitty, teeny tiny, little slutty skirt

I'm like a bitch in heat in the desert with a thirst
