

## Lip Smacker

Ashnikko

Ha-ha, ha-ha  
Hate the part  
Ha-ha, ha-ha  
Hate the part  
Ha-ha, ha-ha  
Hate the part  
Ha-ha, ha-ha  
Hate the part

Pull my thread, I need to come undone  
Tangled headphones  
Ooh, I bust out the big stun gun

Honeysuckle, lip smacker  
(H-h-h-honeysuckle)  
(Lip smacker)

Ha-ha, ha-ha, hate the part  
Flick the bean, English breakfast  
Ha-ha, ha-ha, hate the part  
Pussy tree hugger, no more boys

Pink drink, mini skirt kink  
I see my reflection out, wink, let's link  
Bush filled like mink  
Pussy sing, lip-sync  
Scissor what? Scissoring

Honeysuckle, lip smacker  
(H-h-h-honeysuckle)  
(Lip smacker)

Autoerotic  
Coffee, turn on the machine  
Fort in the saké  
He would lick the sweat right off my seat  
Step into my office, bosses  
Sit down conference, call my feet  
I go, cock it, slap it  
Hummingbird wants to suck something sweet

Pink drink, mini skirt kink  
I see my reflection out, wink, let's link  
Bush filled like mink  
Pussy sing, lip-sync  
Scissor what?  
Scissoring

Honeysuckle, lip smacker  
(H-h-h-honeysuckle)  
(Lip smacker)  
(H-h-h-honeysuckle)  
(Lip smacker)

Ha-ha, ha-ha, hate the part  
Flick the bean, English breakfast
