

Maggots

Ashnikko

You hate me 'cause you hate yourself
You're the maggots in my meat (Pee, yew, you smell)
Bubblegum under my feet, tummy lint in my belly button
I don't let a fucker on the internet (Tell me nothing)

Your sad life is never getting better
Butt crack krakens on my pirate treasure
I'm a wet pussy cry baby, real bed wetter
But I'll fuck an incel up and wear him like a sweater

Your sad life is never getting better
Cheese string dick, shrivel tits, old cheddar
I'm a wet pussy cry baby, real bed wetter
But it's still fuck you and your friends forever

You hate me 'cause you hate yourself
You're the maggot to my meat (pee yew, you smell)
Bubblegum under my feet, tummy lint in my belly button
I don't let a fucker on the internet (Tell me nothing)

Bitches in my business, like my accountant and managers
You tape worm, parasites, vultures and scavengers
Snakes with the rattlers all the lowest of caliber
On my dick like a catheter, what are you mad at me for, huh?
Ooh, I'm sorry
You smooth brained bitches just did not want me
Carbon copy
I won't feed you, Tamagotchi (Ah, ah)

You hate me 'cause you hate yourself
You're the maggot to my meat (Pee yew, you smell)
Bubblegum under my feet, tummy lint in my belly button
I don't let a fucker on the internet (Tell me nothing)

Your sad life is never getting better
Butt crack krakens on my pirate treasure
I'm a wet pussy cry baby, real bed wetter
But I'll fuck an incel up and wear him like a sweater
Your sad life is never getting better
Cheese string dick, shrivel tits, old cheddar
I'm a wet pussy cry baby, real bed wetter
But it's still fuck you and your friends forever
Your sad life is never getting better
