

# Microplastics

Ashnikko

I want you in my body like (Body like, body like)

Yes, I need you in a way that's really scares me

How humiliating (Humiliating)

I'm biting at the bars of my cage

I'm foaming at the mouth

Just yesterday, I almost crashed my car going eighty on the highway

Thinking of your big eyes, uh, looking up between my legs

Ooh (Shoo, shoo)

Oh

Imminent

Oh, oh

Uh-huh, exhibitionist

Uh-huh, flip, split, gear shift, quick

Uh-huh, come here, gimme kiss

I want you in my body like microplastics

Uh-huh, oh, you like me slick?

Uh-huh, clitoris give itch?

Uh-huh, flick me fun, dipstick

I want you in my body like microplastics

(Na-na-na-na-na-na-na) Mwah-mwah

(Na-na-na-na-na-na-na) I see God

(Na, na-na-na-na-na) Delicious

When you leave, I put my face in your pillow and sniff it

I become a different person, that's a whole new me

I'm an animal with my carnal needs

Ooh (Shoo, shoo)

Oh

Imminent

Oh, oh

Uh-huh, exhibitionist

Uh-huh, flip, split, gear shift, quick

Uh-huh, come here, gimme kiss

I want you in my body like microplastics

Uh-huh, oh, you like me slick?

Uh-huh, clitoris give itch?

Uh-huh, flick me fun, dipstick

I want you in my body like microplastics

Plastic, smoochie tactics

My bag, please use Chapstick

That's Ash's special catnip

Action, go microplastics

Uh-huh, exhibitionist

Uh-huh, flip, split, gear shift, quick

Uh-huh, come here, gimme kiss

I want you in my body like microplastics

Uh-huh, oh, you like me slick?

Uh-huh, clitoris give itch?
