Moonlight Magic

Ashnikko

Are you the moon, babe? Pullin' the tides of my body
Your eyes like rubies, supernatural cocky
Do it to me, light me up like a moonbeam
Are you the moon, babe? (Ah, ah, ah, ah)

I'm not immune to (You, I got it bad)
I'm only human (You are somethin' magic)
This ain't what I'm used to (Ah, ah, ah, ah)
Let it consume you (Ooh, moonlight magic)

You do somethin' wicked to me (Yeah, I like that)
Mystical when you seduce me (Make me climax)
Now our bodies interlock, celestial sex like oh my god
Yeah, I like that, yeah, I like that, I like that, yeah

I'm not immune to (You, I got it bad)
I'm only human (You are somethin' magic)
This ain't what I'm used to (Ah, ah, ah, ah)
Let it consume you (Ooh, moonlight magic)

I feel like a fuckin' groupie, yeah, yeah, yeah
Wipe my chin, help me, I'm droolin' (Obsessed with you)
Do your wicked things to me (Ah, ah, ah, ah)
Do your wicked things to me

Ooh, put your body on mine (Mine, mine)
Ooh, our skin connects and makes a shrine
Ooh, can't kill my carnal side
Ooh, is somebody gonna yell out sike? (Sike)

Are you the moon, babe? Pullin' the tides of my body
Your eyes like rubies, supernatural cocky
Do it to me, light me up like a moonbeam
Are you the moon, babe? (Ah, ah, ah, ah)

I'm not immune to (You, I got it bad)
I'm only human (You are somethin' magic)
This ain't what I'm used to (Ah, ah, ah, ah)
Let it consume you (Ooh, moonlight magic)
